President's Message

Great racing over the weekend. It even warmed up after a rather soggy start, so maybe spring will finally happen this year. What will definitely happen is our final two regattas of the regular season.

This week we travel to Butler, PA for the Western Pennsylvania scholastic championships. This is a regatta where we have had some success in the past, including some absolutely outstanding performances. It is also a nice location where you can actually see the races. They do patrol to make sure that parking is regulated and no one is parking on the grass, but they seem to be fairly reasonable about it. (Can you tell I don't like Griggs as a location very much?) It is a nice park, so please continue to respect the venues that host us every week.

Please note that this is not the downtown location where we raced in the fall. I think we got the message out to everyone on Saturday, but I do want to make sure everybody ends up in the right place.

I know that Karen McCarthy and her troops have lined up a really nice event for the girls Saturday night, so let's get the boats unloaded and rigged and the tents put up as efficiently (and SAFELY) as possible so we can move on to the fun events. (As if putting up the tent isn't fun enough!)

Crew Parents and Friends we really need your help!!!

As part of our Med Hens commitment we are required to work a daytime children's game.

Our game is Tuesday May 20th and volunteers will have to be there at 8:30 am.

At this point in time, we do NOT have enough volunteers for this game.

We need at least 10 more people. Please help us out.

This is important to our relationship with Gladieux and keeping your daughters in new and improved technology.

Please email Julie at jlach@bex.net if you are able to work this game.
